

### **LAW 1:**

No matter how bad your last shot was, you should have Inner peace knowing that a worse one is yet to come. (This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.)

### **LAW 2:**

Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

### **LAW 3:**

Brand new golf balls are water-magnetic. (Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water. Expensive clubs have been known to be partly made with this most unusual natural alloy.)
